

Florida Unauthorized Practice of Law – QDROs

The Florida Bar which is a mandatory association in Florida for all attorneys has opined (see Advisory Opinion MEAC 2007-005) that, "The Florida Bar considers the preparation of a QDRO to be legal activity and has pursued unauthorized practice of law (UPL) actions against non-attorneys who prepare QDROs."

The unauthorized practice of law in Florida is a felony in the third degree. (see. Florida Statutes Title XXXII, Chapter 454.23)

All of the QDROs prepared by Troyan & Associates, P.A are done by Rodney D. Troyan a licensed Florida Attorney.
